The College's primary purpose is the intellectual development of persons through the maintenance of the highest standards of academic excellence and educational growth. Today, the College serves a student population of approximately 7,000 students. In addition to the School of Arts and Sciences, which remains all-women, the College has three co-educational schools: the Graduate School, established in 1969; the School of New Resources, in 1972; and the School of Nursing, in 1976. The College's main campus is in New Rochelle, with six branch campuses of the School of New Resources located throughout the New York metropolitan area.

The College offers strong reasons for seeking private support. The importance of the life of the spirit and a reverence for the individual are hallmarks of an Ursuline value-based education. These characteristics are manifest in a College of New Rochelle education today. The College's primary purpose is the intellectual development of persons through the maintenance of the highest standards of academic excellence and educational growth. From this tradition, the College derives its dedication to the education of women and men in the liberal arts and in professional studies. The College reaches out to those who have not previously had access to higher education and places particular emphasis on the concept of lifelong learning.

Private support allows the College to build upon its commitment and mission as an educational institution by providing academic scholarships, grants, financial aid, and technology enhancements. Similarly, funding is needed for physical plant renovations, special programs, and curriculum development.

Gifts to the College include cash, appreciated securities, capital donations, real estate, charitable gift annuities, charitable remainder trusts, endowed funds, and bequests.

When The College of New Rochelle is included in estate plans through a planned gift or a bequest, thoughtful donors reduce their taxes, protect their assets, and generate income. By reaching beyond their own lives to assure opportunities for future generations, generous donors shape the future and make a critical difference in the College's ability to fulfill its mission.

DEAR FRIENDS OF THE COLLEGE OF NEW ROCHELLE,

This Annual Report brings to me once again the message of the great apostle of the poor of Brazil, Bishop Pedro Casaldáliga which reminds us of the truly important things. He is sure that at the end of the road, we will be asked: How have you lived? Have you loved? His answer: “Without a word I will open a heart full of names.” We communities of teachers and learners, too, will be held to this standard. Have we attended to the important things? And our answer will be in this community’s “heart full of names.”

The publication of the College’s Annual Report is, for me, now in my 11th year as President and in my 33rd as part of this very special community, a time of meditation and reflection, of some celebration, happily, and of recommitment. For me, but for all of us at the College, it is a time to be unstinting in our expression of gratitude for the generosity of alumnae/i and friends who support the mission of the College to such an impressive degree. Above all, the Annual Report brings us an opportunity to revisit our priorities as we find ourselves into our 104th year.

Permit me to share with you a very important symbol of our priorities as college. For the past 10 years as President, it has been my privilege to sign by hand the diploma of each of our graduates, almost 1,500 undergraduate and graduate diplomas each year. This is an extraordinary honor and the high point of my responsibilities as President. My predecessor and friend, Sister Dorothy Ann, had followed this practice before me. We both believe that it is the least we can do for each graduate who honored us by choosing us as partners in their life-changing selection of college.

The signing of each diploma is a moment of prayer. Seated away from the usual business of my office, I take up a diploma and silently read the name. I put the diploma down again and, representing the Board of Trustees, sign my name. Finally, I look down and say to myself after each signing: “God give (and I repeat the name) a wonderful life now that she/he carries this College of New Rochelle degree!” The fortunes of this alum and this College are intertwined forever and the hand written signature attests that each is more than a number, more than an anonymous presence in a large graduating class. It is one sign, unusual though it be, of the student, the graduate, as the center of our life. I am humbled to say that I have signed and prayed the accompanying prayer now more than 15,000 times in these 10 years – and each and every occasion is a special moment for me.

And so our priorities are clear. It is our students who are at the center of life as college. The College professes:

… a respect and concern for each individual. It seeks to challenge students to achieve the full development of their individual talents and a greater understanding of themselves. It encourages the examination of values through the creative and responsible use of reason. The College strives to articulate its academic tradition and religious heritage in ways that are consonant with the best contemporary understandings of both. It provides opportunities for spiritual growth in a context of freedom and ecumenism. (Taken from CNR Mission Statement)
And each year concludes as I stand on the stage of Radio City Music Hall at Commencement so proud of who we are and what we do as college. I greet each new alumna and alumnus with vigorous handshakes, often hugs, as they cross the stage and appropriately bask in their success. They begin, now fortified with a CNR degree, a new time of possibility and achievement. I get the unparalleled thrill of looking into each face. I wish you could be standing with me.

The fact is, in a very real sense, you do join me. You stand in Radio City with me and with the College’s faculty and administration through your friendship and generous support. Most of all, you stand with our students. You believe, as I do, that the mission of this 104-year-old Catholic women’s liberal arts college is more relevant and necessary than ever! We are so grateful.

Sincerely,

Stephen J. Sweeny, Ph.D.
President
THE YEAR IN REVIEW

At The College of New Rochelle the academic year flows smoothly from the arrival on campus of new and continuing students to, many months later, Commencement when we say well done and goodbye to graduating students. But throughout the year, events and celebrations draw us together into a close and wonderful community.

REMARKABLE MOMENTS FROM THE ACADEMIC YEAR
This year, the School of Nursing celebrated its 30th anniversary. Established in 1976, the School of Nursing is deeply concerned with and highly responsive to the global community’s ever-changing health needs – an educational institution always on the cutting edge of new technology and alternative healthcare practices. In 1993 the School became the first in the country to offer a graduate degree in holistic nursing and revamped its entire master’s degree program in 2004 to ensure that all of its graduate programs integrate holistic philosophy and principles. Since its opening, the School of Nursing has graduated more than 2,500 women and men who have gone on to positively impact the healthcare field.

To mark this occasion faculty, staff, students and alumnae/i gathered in Romita Auditorium in April for a lecture and panel discussion featuring keynote speaker Mary Healey-Sedutto, Ph.D., founder and executive director of Hope for a Healthier Humanity Foundation and Pan American Catholic Health Care Network. Dr. Healey-Sedutto spoke on the very important subject of the effect of globalization on populations here and in developing countries.

BUILDING CNR’S FUTURE TOGETHER
Another remarkable event in the life of the College is the construction of the Wellness Center. In the summer of 2006, this worthy work began with a special Prayer Service of New Beginnings at the Wellness Center site. Last February a “topping off” celebrated the important milestone in construction as the highest and final steel beam was put in place. To commemorate the event, the beam was painted white and signed by representatives of the College Community, including Board members, administrators, faculty, staff and students. Then, accompanied by the cheers of the many gathered, the beam was hoisted into place and balloons were released into the sunny winter sky.

This winter the multi-million dollar Wellness Center opened. The building has state-of-the-art athletic and fitness facilities and provides the locus for innovative preventative health care education programs. The Wellness Center will seek the prestigious LEED ‘Silver’ rating certified by the U.S. Green Building Council and shows that in the evolving to ‘new’ traditions on campus, the College demonstrates to the College Community and the City of New Rochelle that CNR is committed to sustainability and environmental responsibility.
Then on Good Friday, Peacebuilders — the CNR Pax Christi Chapter — participated in the Way of the Cross coordinated by Pax Christi Metro New York. The way of the cross is a commemoration of Jesus’ Passion in solidarity with His ongoing suffering in people today. It began at Dag Hammarskjold Plaza at the United Nations building, continued along 42nd Street and ended at the bus terminal at the Port Authority.

This year, as it has for the last five years, Campus Ministry arranged the Labyrinth, an ancient Christ-centered prayer walk, that incorporates music, meditation, art and activities at stations along a guided path on Tuesday of Holy Week. Held in Maura Ballroom on the Main Campus, students, faculty and administrators took time to walk the stages of the labyrinth.

The Catholic heritage at The College of New Rochelle is enriched with each passing semester.
While Mission Day no longer exists, the College and its community of students, faculty and staff are still committed to the betterment of others.

OLDER TRADITIONS BECOME NEW TRADITIONS
For the many who experienced past College events, certain celebrations, like Mission Day, that included the election of a Mission Queen, were a campus tradition from the 1920s to the 1950s. Students paid a penny a vote for the new Queen, with all the proceeds going to the missions. In fact, throughout the year, students in the Mission Club collected funds and made items to be donated to Ursuline and other missions. So successful was this club, that for many years, CNR led the area’s Catholic colleges in fundraising.

While Mission Day no longer exists, the College and its community of students, faculty and staff are still committed to the betterment of others. One example of this is the newer tradition of Community Service Day, organized by the Campus Ministry. In April 2007, more than 100 members of the College’s faculty, staff
and students from the Main Campus and the five city campuses journeyed to Richmond Community Services Intermediate Care Facility Program in Yonkers. There they spent the day bringing joy to the residents through song and music and painting, gardening and cleaning at the home overlooking the Hudson River, so that the developmentally disabled and physically challenged residents and their staff might have a more beautiful environment in which to live and work.

In addition, the annual Plunges, when students from the School of Arts and Sciences and the School of Nursing perform community service during semester breaks, continued. Organized to benefit impoverished communities, this past January, several students built a home for a family of six on the U.S.-Mexican border and made presentations on various health topics relevant to the local community.

During the spring break, four CNR students worked with professional educators at the Hale House Learning Center in Manhattan, which serves children ages 6 weeks through 5 years. Another four CNR volunteers traveled to Naugatuck, West Virginia and the Big Laurel Learning Center where they provided day-care, tutored students and assisted with outdoor maintenance and environmental activities.

Some College traditions, such as the Investiture of the freshmen class on the eve of Founder’s Day, have changed with the passage of time, as new rituals grow in favor on campus, yet Founder’s Day at CNR continues as always. This special day — celebrated each year in October — begins with a Liturgy of the Eucharist in Holy Family Chapel. Following the liturgy, a luncheon for the entire College Community is held in the Student Campus Center. In 2006, Irene Mahoney SAS’41 spoke about her research into the work of the Ursulines of Minnesota and her book, Lady Black Robes: Missionaries in the Heart of Indian Country. Also at the luncheon, four students, one from each of the schools, received Serviam Awards for continuing to serve in the tradition of the Ursuline ministries.

Another beloved CNR event that has slipped into history is the May Day celebration where undergraduates hailed the arrival of spring by dressing as children and danced around the campus May Pole. That CNR tradition has been successfully replaced for the last 35 years with Strawberry Festival. Strawfest was introduced to CNR by Rev. Bernard McMahon in 1972 and continues today on the lawns of Maura as an annual College-wide celebration of spring.

STIMULATING DISCUSSION
To complement the intellectual discourse in the classrooms, outside speakers are regularly welcomed to the campus. This year, Amy Hill Hearth, a New York Times bestselling author of the oral history story, Having Our Say: The Delany Sisters’ First 100 Years, delivered the 2007 Dowell Lecture, named in honor of Elvira M. Dowell ’36.
As Dr. Roblyn Rawlins, Assistant Professor of Sociology and Chair of the Women’s Studies Program of the School of Arts and Sciences, commented on that March evening, it was fitting that CNR should be discussing the famous Delany Sisters of Mount Vernon, New York, on International Women’s Day, the global day that is set aside to connect all the women around the world and inspire them to achieve their full potential. That is what CNR has also been doing for over 100 years.

In addition, Bushra Rehman, a 1998 graduate of the School of Arts & Sciences, returned to campus for an informal reading and workshop on her new book, *Colonize This! Young Women of Color on Today’s Feminism*. Dr. Samuel Schuman, author of *Old Main: Small Colleges in Twenty-First Century America*, which features CNR, spoke to School of Arts & Sciences faculty, and Catherine Griebel, an intensive care manager at Safe Horizon, addressed faculty, staff and students of all the schools on the important issue of human trafficking.

In celebration of The College of New Rochelle’s commitment to educating and empowering women and men, the College hosted a gala in April at Cipriani 42nd Street. At the event, CNR paid tribute to The Honorable George J. Mitchell, by presenting him with the Pope John XXIII Medal in recognition of his significant achievements as Senator from Maine, United States Senate Majority Leader and assiduous peace negotiator in Ireland and the Middle East. Senator Mitchell in turn graced us with an inspirational talk on the value of education.

**ACADEMIC ACHIEVEMENT**

School of Arts & Sciences students received a number of awards over the past year. Shonda Gaylord, a junior in the School of Arts & Sciences, received a fellowship from the National Oceanographic and Atmospheric Agency and spent the summer at Woods Hole, Massachusetts, where she aided in the development of a detection system for identifying haddock and humpback whales. It was in Woods Hole where faculty member and internationally recognized biology professor Mary Dora Rogick spent many summers half a century ago studying bryozoa. This fall, Shonda was the only student worldwide to receive a full scholarship to study at the Mediterranean Center for Arts and Sciences in Sicily.

Another School of Arts & Sciences student, Marzia Orru, had her original lesson comparing slavery in the North and South included in the Rye Historical Society’s curriculum guide distributed to Rye middle schools. In
addition, three graduate art therapy students were recognized by the Westchester Art Therapy Association for their innovative thesis research.

Students representing the School of Arts & Sciences, School of Nursing and School of New Resources joined college students from across New York State at Student Lobby Day in Albany to meet with state legislators on the importance of maintaining and increasing funding for financial aid (including TAP) in the state budget.

REMEMBERING SPECIAL FRIENDS

With the joys that mark each year, there are also sorrows. Within the past twelve months, we lost several outstanding former members of the College Community, including Ursulines Mary Gerald Carroll and Elizabeth Monaghan, both of the Music Department, Elsa Kissel of the School of Nursing, Ruth Johnon of the School of Nursing, and later the School of New Resources, and Ronald Pollack of the Financial Aid office.

This fall, Shonda Gaylord was the only student worldwide to receive a full scholarship to study at the Mediterranean Center for Arts and Sciences in Sicily.

In what has become a new tradition on the campus, when a current member of the faculty and staff dies a tree is planted in memory. There is now a double-blossoming pink cherry tree growing in the shadow of Holy Family Chapel in memory of Sharwyn Dyson, a beloved Instructional Staff member of the School of New Resources Brooklyn Campus. In November we honored one of the great men of America and one of the College’s very special friends, Gordon Parks, who died in early 2006, with a commemorative exhibit at the School of New Resources John Cardinal O’Connor Campus. Entitled Gordon Parks: A Tribute By His Daughter, the pieces on display showcased the magnificent work of this artist whose name graces the gallery at the campus in the South Bronx.
CLOSING THE ACADEMIC YEAR

This year marked the 100th Commencement of the College. Over the century since the first Commencement in 1908, when just eight young women left the College, to this academic year when nearly 1,400 students graduated, much has changed at the College, yet much has also remained the same. The College now welcomes a diverse student body of women and men, young and old, to partner with us for their education, yet all the graduates over this past century leave CNR with the same educational foundation to make a difference in the lives of others – truly they leave with wisdom for life.
More than 1,400 graduates comprised the Class of 2007, including Jennifer Zazo GS’07.
The financial information below summarizes the changes in net assets as of and for the year ended June 30, 2007 with comparative amounts for fiscal 2006.

DEAR GRADUATES AND FRIENDS,

Thank you. On behalf of the Board of Trustees, I extend my gratitude to you for joining 4,305 other donors who gave $5.1 million to the College. Graduates of all four Schools, faculty and staff, friends, foundations, and corporations, along with an increased number of planned gifts, helped to make 2007 a success.

I am pleased to report that:

- Unrestricted gifts to the Annual Fund totaled $2,324,000, a 25% increase over 2006. This positive improvement was due to an increase in the size of alumnae gifts, two successful fundraising events, and an increase in the number of bequests.
- Gifts from 405 President’s Circle donors totaled $1,252,000, a 17% increase over 2006.
- More than half of our new donors to the Annual Fund are School of New Resources graduates, and most of our new donors are graduates of the 1990s and 2000s.
- The number of current faculty and staff who support the Annual Fund increased by 14%, the sixth consecutive year of increased support from this important group of donors.
- The College received $2,422,000 in new capital gifts and pledges from 42 graduates and friends.

I extend a very special thank you to all who contributed to the Annual Fund for the first time, particularly our recent graduates. As we look to CNR’s future, I encourage you to maintain this vital partnership—your continuing support is essential.

I am pleased to report that construction of the Wellness Center will be completed this winter, and its doors will open to students, faculty and staff in the second semester. Please visit the College’s website to see this wonderful new addition to the New Rochelle campus.

With $42 million raised for both the Annual Fund and the Capital Campaign, we are closer to our overall goal of $50 million for The Campaign for The College of New Rochelle. Its success will ensure that CNR continues to provide: an educational experience from a woman’s perspective, through which the unique potential of each student can be realized; a richly diverse and intellectually stimulating experience; and an education that challenges critical thinking, provides career preparation, instills values, and fosters a commitment to lifelong learning.

Instrumental to this success is your partnership with us in the promotion of excellence. In the coming months, you will hear about a new initiative, Partnership for Excellence, which is a program designed to strengthen our financial health and to help secure a vibrant future for CNR.

Thank you for your outstanding support of The College of New Rochelle, so apparent in this report.

Sincerely,

Christine LaSala SAS ’72

THE CAMPAIGN FOR THE COLLEGE OF NEW ROCHELLE

$42 million raised as of 6/30/07

The College of New Rochelle has completed a $28 million holistic Wellness Center to serve students, faculty and the greater campus community. The Center is scheduled to open January 2008. The Wellness Center is part of a $50 million capital initiative to strengthen financial resources in order for CNR to continue to fulfill its mission. Included in this Campaign, in addition to donations to the Wellness Center construction and programs, are gifts to restore Holy Family Chapel, to strengthen CNR’s Endowment Fund and all gifts to the Annual Fund.

Our heartfelt appreciation is extended to each of the following donors to The Campaign for The College of New Rochelle.

ANNUAL FUND GIFT CLUBS

THE PRESIDENT’S CIRCLE
Leadership for the Second Century

The President’s Circle is an Annual Fund gift club established in 1967 that recognizes those alumnae/i, parents, faculty, staff and friends of The College of New Rochelle whose leadership giving provides more than 75% of the unrestricted Annual Fund dollars raised from individuals. President’s Circle membership is extended to donors whose combined unrestricted giving to the Annual Fund totals $1,000 by June 30 each year. Contributions to the Trustees Gala and the Golf and Tennis Outing are counted toward membership in The President’s Circle in that these events support the Annual Fund. Six levels of distinction exist within The President’s Circle. Membership is also extended to those individuals listed in “Extraordinary Giving” who have given a cumulative lifetime total of $100,000 or more to The College of New Rochelle.

The College extends profound thanks to the following 405 donors for their generous gifts to the Annual Fund totaling $1,252,000 for fiscal year 2007.
